HENRIETTA ISD TRANSFER AGREEMENT

In accordance to School Board Policy FDA (Local) in approving transfers, the Board shall consider availability of space and instructional staff and the student's disciplinary history and attendance records. In addition to these factors the local campus administrators will also consider the student's academic history.

As a transfer student your child must follow all rules and regulations of the District, including those for student conduct and attendance. Violations of the District's rules and regulations may result in revocation of the transfer agreement.

I have read the above transfer agreement and understand what my child must do to become a transfer student as well as what he/she must do to maintain his/her transfer status. I further understand that once my child violates the above mentioned standards his/her status as a transfer student may be revoked and the sending school notified that he/she will be coming back to the school district of residence.
